**As a bank specialized in securities, we provide the general public of investors with ongoing securities assessment optimization and access to standardized asset management which many people can afford.**

The highest guidelines are the principles of reliability, security, transparency and returns. The bank does not issue its own fund or other securities and is thus completely impartial with regard to its offer of securities services.

As an Austrian bank specialized in securities, Partner Bank has aspired, since 1992, to become the market leader in the German-speaking area for qualified financial and wealth management consultants.

- Corporation with an initial capital of 7.3 million Euro and headquartered in Linz; the sole proprietor is the Liechtenstein Foundation for Social and Economic Development in Vaduz
- Over 50 employees in Linz, Vienna and Munich, in addition to representative offices in Berlin and Budapest are always available.
- Over 450 independent financial service providers offer our products in Austria, Germany, Hungary and Italy.
- 17,000 clients are already convinced by the quality of our products.
